Financial Settlement Services (FSS) Addendum

It is understood the Client elects GovDeals to collect all proceeds due the Client from the winning bidder and remit the proceeds to the Client less the GovDeals fee. Optionally, the Client may elect to not have GovDeals withhold the fee.

GovDeals will charge the winning bidder a "Buyer's Premium", therefore, the Client is not allowed to charge the winning bidder an additional "Buyer's Premium".

GovDeals will collect all proceeds from the winning bidder, including the "Buyer's Premium" through PayPal, credit card or wire transfer. This is the only means of payment by the bidder.

The Client will not release an asset to the winning bidder until the Client has received verification from GovDeals that payment has been received from the winning bidder. Prior to an item being released to the winning bidder, the Client will ensure the winning bidder or his/her agent has signed a "Bill of Sale" containing the following notation: "Asset is sold as is, where is and without warranty. Once the asset is removed from the seller's premises there is no refund of monies previously paid". The Bill of Sale must be printed from the Client Asset Server (CAS). Any other "Bill of Sale" used by the Client must be submitted to GovDeals for approval.

No proceeds will be remitted to the Client for any asset sold without verification of payment from GovDeals and verification from the Client the item has been picked up by the winning bidder. Approved payment from the winning bidder through PayPal, credit card or wire transfer will be noted in CAS. It is the Client's responsibility to notify GovDeals when an item has been picked up, which is accomplished by the Client accessing CAS and selecting the "Picked Up" option from the "Paid, not picked up" report.

GovDeals will remit all proceeds collected, less the "Buyer's Premium" and the GovDeals fee to the Client on a weekly basis for all assets marked in CAS as 'Picked Up'. However, if you choose to be invoiced for the GovDeals' fee, GovDeals will remit all proceeds collected, less the "Buyer's Premium" only. All proceeds will be remitted electronically by Automatic Clearing House (ACH) unless elected on the following page of this exhibit to receive a paper check. Whether proceeds are remitted electronically via ACH or via paper check, a detailed backup will be submitted to the Client to support the amount remitted.

Under no circumstance will the Client collect any proceeds directly from the winning bidder and if requested to do so, the Client should refer the winning bidder directly to GovDeals for payment instructions.

GovDeals will absorb all costs of Charge Backs by PayPal or a credit card company where an item is released to the winning bidder after the Client receives proper payment notification from GovDeals, GovDeals receives proper pickup notification from the Client and the Client obtained and retained a signed "Bill of Sale" from the winning bidder.

GovDeals will refund proceeds collected to the winning bidder in those rare occasions where the winning bidder pays for an asset but never picks it up and subsequently convinces PayPal or the credit card company to withdraw the amount from GovDeals' bank account. It is the Client's responsibility to request a credit on the asset paid for but not picked up as soon as the allowable pick up time passes. By taking the credit, it insures GovDeals will not charge the Client a fee and will allow the Client to resell the asset. If the asset is mistakenly placed in 'picked up' status by the Client and GovDeals has remitted payment, the Client agrees to refund this amount back to GovDeals.

A GovDeals' Client Services Representative or a GovDeals Help Desk Representative will train the Client on how to effectively use the Financial Settlement Services feature and provide ongoing support as needed. There are no additional costs to the Client for training and support.

GovDeals is covered by a Crime Insurance Policy with a limit of \$5,000,000, which will protect the Client against any loss of funds.
